Sir:

INFORMATION DISCLOSURE STATEMENT UNDER 37 C.F.R. § 1.97(b)

Pursuant to 37 C.F.R. §§ 1.56 and 1.97(b), Applicants bring to the attention of the Examiner the documents listed on the attached PTO 1449. This Information Disclosure Statement is being filed before the mailing date of a first Office Action on the merits, thus, no fee is required.

A copy of each of the listed documents is attached. Applicants respectfully request that the Examiner consider the listed documents and indicate that they were considered by making appropriate notations on the attached form.

Some of the listed documents are from three copending U.S. patent applications.

The copending applications are as follows:

1. **09/609,717** - Filed in the U.S. on June 30, 2000 (Daniel ACHARD et al.)

2. **09/627,791** - Filed in the U.S. on July 27, 2000 (Eric BACQUE et al.)

3. **09/643,197** - Filed in the U.S. on August 22, 2000 (Pascal DESMAZEAU et al.)

Additionally, Applicants have enclosed a copy of the corresponding international application's International Search Report for the Examiner's consideration.

With respect to the non-English-language documents, Applicants submit the following remarks:

WO 96/04299: An English-language abstract of the disclosure of this document is provided on the cover page of the International Publication, and a copy of U.S. Patent No. 5,786,449, which Applicants believe is a counterpart application, is enclosed herewith.

WO 96/01901: An English-language abstract of the disclosure of this document is provided on the cover page of the International Publication, and a copy of U.S. Patent No. 6,352,839, which Applicants believe is a counterpart application, is enclosed herewith.

WO 96/04298: An English-language abstract of the disclosure of this document is provided herewith.

WO 96/33213: An English-language abstract of the disclosure of this document is provided on the cover page of the International Publication, and a copy of U.S. Patent No. 5,789,537, which Applicants believe is a counterpart application, is enclosed herewith.

FR 2,775,288: An English-language abstract of the disclosure of this document is provided herewith.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that each or all of the listed documents are material or constitute "prior art." If the Examiner applies any of the documents as prior art against any claims in the application and Applicants determine that the cited documents do not constitute "prior art" under United States law, Applicants reserve the right to present to the Office the relevant facts and law regarding the appropriate status of such documents.

Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application.

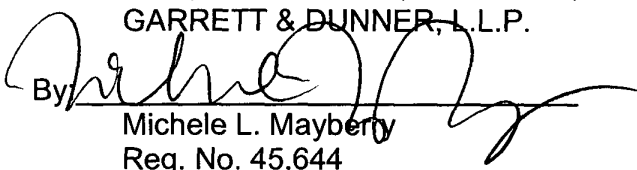

If there is any fee due in connection with the filing of this Statement, please charge the fee to our Deposit Account No. 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,
